

## Kindig-it Design Waiting List Application

### Full Complete Custom Build

Thank you for choosing Kindig-it Design for your project!

This application is for individuals who would like to have their project considered and added to our waiting list. If your project falls into one of our accepting categories please feel free to continue to the application. Please remember that by filling out this application it does not mean that you are guaranteed a spot on our waiting list. We will go through each application carefully and either approve or reject potential projects. It is very important to read the application thoroughly and to answer all of the questions. If your application is not completed it will automatically be rejected.

We highly recommend that you keep a copy of your application saved for reference.

#### Projects we ARE accepting:

- Full (Complete) Custom Builds
- Full (Complete) Resto-Mod Builds
- Exhaust Cutout Installation
- Door Handle Installation
- Small Additions to Finished Builds

#### Here are some common answers to questions:

- In house financing is not available.
- We work off of deposits. You are billed on a monthly basis.
- We don't choose the cars to be on the TV Show the producers decide what they want to air.
- Charity or Donation Builds are not being considered at this time.
- Renderings (Drawing/Sketches) are only offered for our Full Build In House Projects.

#### How this process works:

Step 1: Print this form and fill out every question with a (\*) Required.

Step 2: Attach this form in an email along with photos and email it to baylee@kindigit.com

Step 3: Dave will go through your request and decide if it is a good fit for our shop.

Step 4: You will be notified by Phone Call, Email or Letter if your application has been approved or denied.

Step 5: If your application is approved you will be contacted and sent contracts and a request for a deposit.

Step 6: After contracts and deposit have been sent we will schedule your design meetings and start date.

Step 7: Sit back and relax until we call you to get the car in the shop.

#### What happens next?

Please be sure to email your filled out application. We will be going through each application and we will let you know if your project has been accepted or not. We highly recommend keeping that copy for your records. You will be contacted within 1-3 weeks of your submission. We encourage everyone to wait until at least 3 weeks after submission to call or email regarding your application. Thank you again for choosing Kindig-it Design. We look forward to discussing your project with you.
